 - (2) Senior Professional and Technical Personnel Examination; or a Special Examination of an equivalent level;
6. The person is able to provide a certificate attesting that they have passed one of the following professional skill assessment tests:
 - (1) The person has obtained a Level A certified technician's certificate, or single-class certified technician's certificate equivalent to Level A, and has three or more years of related practical work experience; or
 - (2) Level B is the highest qualification available in their skill area and the person has obtained a certified technician's certificate, or a single-class certified technician's certificate equivalent to Level B, and has five or more years of related practical work experience.

Article 6

A person who has been employed as a professional technician at a university or tertiary college, or as a teacher of professional or technical subject(s) at a junior college or senior secondary school who has been reviewed and given approval by a particular university's admission committee or by a joint admission committee will be considered to have an adequate scholastic ability and may take the entrance examinations for new students referred to in Article 2, Article 3, or the previous article, as appropriate.

Article 7

A person who has exceptional achievements in their professional field, and has received approval from the Ministry of Education, and been reviewed and given approval by a particular university's admission committee or by a joint admission committee will be considered to have an adequate scholastic ability and may take the entrance examinations for new students referred to in Article 2, Article 3, and Article 5, as appropriate.

Article 8

A person who satisfies any of the following eligibility criteria is considered to have an equivalent level of education and may take the entrance examination for new-students for the first year of a doctorate program:

1. The person has completed two years of a master's degree program and all the prescribed program subjects and received the required credits (not including a thesis) but for some reason was not able to graduate and for some reason took leave or withdrew from their studies for one year or more, and is able to provide a certificate of attendance, or leave from studies certificate, each with a transcript of their results for all academic years attached, and submits an example of their written work with the quality of a master's thesis;
2. The person has completed a doctorate program but did not pass the doctorate degree candidate qualification examination or doctorate degree examination and is able to provide a certificate of attendance, or leave from studies certificate, each with a transcript of their results for all academic years attached, and submits an example of their written work with the quality of a master's thesis;
3. The person has been awarded a bachelor's degree in a department that requires six or more years of study, has received two or more years of professional training, and submits an example of their written work with the quality of a master's thesis;

4. The person has graduated from a university and has a bachelor's degree, has five or more years of practical experience related to their field of study, and submits an example of their written work with the quality of a master's thesis; or
5. The person has passed any of the following national examinations and is able to provide a certificate attesting this, has six or more years of practical experience related to their field of study, and submits an example of their written work with the quality of a master's thesis:
 - (1) Senior Civil Service Examination; or Level One, Level Two, or Level Three Special Civil Service Examination;
 - (2) Senior Professional and Technical Personnel Examination; or a Special Examination of an equivalent level;

The example of their written work with the quality of a master's thesis referred to in each subparagraph of the paragraph above shall be independently assessed by the university involved. An example of their creative work such as an exhibition or performance with a written report, or a technical report relating to their work in an applied technologies field may be submitted in place of an example of written work with the quality of a master's thesis.

The professional training referred to in Paragraph 1, Subparagraph 3, and the practical experience related to the individual's field of study referred to in Paragraph 1, Subparagraphs 4 and 5 shall be independently assessed by the university involved.

Article 9

The provisions of Article 2, Subparagraph 1 may also be applied, *mutatis mutandis*, for a person who received secondary school education in a foreign country, or Hong Kong, or Macao and satisfies the provisions of the Regulations Regarding the Assessment and Recognition of Foreign Academic Credentials for Institutions of Higher Education, or those of the Regulations Regarding the Assessment and Recognition of Academic Credentials for the Hong Kong and Macao Areas.

A student who graduated in a foreign country, Hong Kong, or Macao from a senior secondary school whose graduating year is academically equivalent to the second grade of a senior secondary school in Taiwan of a comparable academic level and nature is considered to have adequate academic ability and may take the entrance examination for new students for university bachelor's degree programs. However, the university shall increase the number of credits required for such students to graduate or extend the prescribed length of their program.

The provisions of Article 2, Subparagraph 1 may also apply, *mutatis mutandis*, to a student who attended a school in a foreign country, Hong Kong, or Macao of a comparable academic level and nature to senior secondary schools in Taiwan, but which requires more years of study to complete than senior secondary schools in Taiwan do, and who did not complete their secondary studies there but completed grades/years of study equivalent to particular grades/years of the prescribed senior secondary school program in Taiwan.

The provisions of Paragraph 1, Subparagraphs 3 and 4 of the preceding article may also apply, *mutatis mutandis*, to a person who was awarded a bachelor's degree in a foreign country, Hong Kong, or Macao and satisfies the provisions of the Regulations Regarding the Assessment and Recognition of Foreign Academic Credentials for Institutions of Higher Education, or those of the Regulations Regarding the Assessment and Recognition of Academic Credentials for the Hong Kong and Macao Areas.

The provisions of Article 2, Subparagraph 2; Article 3, Paragraph 1, Subparagraphs 1 to 4; Article 4, Paragraph 1, Subparagraphs 1 to 3, Paragraph 2, and Paragraph 3, Subparagraph 1; Article 5, Subparagraphs 1 to 4; and

Paragraph 1, Subparagraphs 1 and 2 of the preceding article may also apply, *mutatis mutandis*, for a student with an academic record of graduating from (or not yet completing a program at) a junior college or higher level educational institution in a foreign country, Hong Kong, or Macao which is included in the Ministry of Education List of Recognized Higher Education Institutions or which has been accredited by an organization authorized by the government where it is located, or by a professional accreditation body, if the educational institution's enrollment eligibility criteria, length of prescribed programs, and curricula are all equivalent to those specified in regulations governing educational institutions of the same level and nature in Taiwan, and the educational standard of its students has been reviewed by the admission committee of a particular university or by a joint admission committee and been determined to be equivalent to that provided by an educational institution of the same level and nature in Taiwan.

A person who was awarded an associate degree and was issued a transcript of their results for all academic years, or was issued an advanced diploma and a transcript of their results for all academic years by such an educational institution in Hong Kong or Macao as referred to in the previous paragraph, is considered to have adequate academic ability and may take the entrance examination for new students for the first year of two-year bachelor's degree programs at a university of science and technology, or an institute of technology.

The academic credentials, records of academic performance (ability), and transcripts of results, or related documentary evidence issued in a foreign country, Hong Kong, or Macao referred to in Paragraph 5, the previous paragraph, Paragraph 10, and/or Paragraph 12 shall each be examined and verified by an overseas representative office of the ROC, or by an agency in Hong Kong or Macao established or designated by the ROC Executive Yuan.

Since the Act Governing Relations between Peoples of Taiwan Area and Mainland Area was promulgated and took effect on September 18, 1992, the provisions of Article 2, Subparagraph 2; Article 3, Paragraph 1, Subparagraphs 1 to 4; Article 5, Subparagraphs 1 to 4; and of Paragraph 1, Subparagraphs 1 and 2 of the preceding Article may also be applied, *mutatis mutandis*, to people from the Taiwan Area, and people from the Mainland China area, foreigners, or residents of Hong Kong or Macao who have been given permission to enter Taiwan for family reunification, as relative-sponsored residents, for long-term residence, or settlement who have an academic record of graduating from (or did not complete the program at) a junior college or higher level educational institution in Mainland China which meets the following criteria:

1. The educational institution is included in the Ministry of Education List of Recognized Higher Education Institutions in Mainland China and does not have any of the precluding characteristics set out in the provisions of Article 8 of the Regulations Regarding the Assessment and Recognition of Academic Credentials from the Mainland Area.
2. The educational institution's enrollment eligibility criteria, length of prescribed programs, and curricula are all equivalent to those specified in regulations governing educational institutions of the same level and nature in Taiwan, and the educational program(s) provided must have been reviewed and determined by the Admission Committee of a university in Taiwan to be equivalent to those provided by an educational institution of the same level and nature in Taiwan.

The provisions of Article 4, Paragraph 1, Subparagraphs 1 to 3; Paragraph 2; and Paragraph 3, Subparagraph 1 may also be applied, *mutatis mutandis*, to a person who graduated from (or did not complete the program at) a junior college or higher level educational institution in the Mainland China area and satisfies the provisions of the Regulations Regarding the Assessment and Recognition of Academic Credentials from the Mainland Area.

If a person has a bachelor's degree awarded in a foreign country, Hong Kong, or Macao and has academic records of graduating from (or not yet completing a program at) a higher educational institution in a foreign country, Hong Kong, or Macao which is included in the Ministry of Education List of Recognized Higher Education Institutions, or which has been accredited by an organization authorized by the government where it is located, or by a professional accreditation body, and if that educational institution's enrollment eligibility criteria, length of prescribed programs, and curricula are all equivalent to those specified in regulations governing educational institutions of the same level and nature in Taiwan, and the educational standard of its students has been reviewed by the admission committee of a particular university or by a joint admission committee and been determined to be equivalent to that provided by an educational institution of the same level and nature in Taiwan; or if a person has a bachelor's degree awarded by a higher educational institution in the Mainland China Area and satisfies the provisions of the Regulations Regarding the Assessment and Recognition of Academic Credentials from the Mainland Area, and if the person is able to provide documentary evidence that they have accumulated a total of 20 credits or more studying different courses of the sort listed in the provisions of Article 4, Paragraph 3, Subparagraph 2, then the person may take an examination to transfer into a post-baccalaureate bachelor's degree program, and if they are admitted they may transfer into the second-year of the program.

The provisions of Article 4 of the Regulations Regarding the Assessment and Recognition of Academic Credentials from the Mainland Area shall be applied, *mutatis mutandis*, regarding the academic credentials and records referred to in the preceding three paragraphs if a person who graduated from (or did not complete the program at) a junior college or higher level educational institution in the Mainland China area wants to take a university entrance examination.

If a person is able to provide transcripts of their results, and records of academic performance (ability) issued in a foreign country, Hong Kong, or Macao indicating that they have received an education equivalent to completing secondary school and is also able to provide documentary evidence that was issued by the competent education authority of the government in that location that the person may take the local entrance examination for new students for university bachelor's degree programs, and that documentary evidence has been reviewed and endorsed by the admission committee of a particular university or by a joint admission committee, then the person may take the entrance examination for new students for university bachelor's degree programs (not including two-year bachelor's degree programs). However, the university may, after taking into consideration a person's academic performance in a foreign country, Hong Kong, or Macao, increase the number of credits required for such a student to graduate or extend the prescribed length of their program or extend the prescribed length of their program.

Article 10

For a student who has studied at a military or police college or academy, the relevant authorized MOE regulations governing comparative educational levels apply.

Article 11

When some number of years is stipulated in these Standards, the period is calculated from the stipulated beginning date until the latest date on which students can enroll for the academic year for which the student took the entrance examination, with the exception of the two instances set out below:

1. To determine the number of years a person has discontinued or taken leave from formal study: count from the end-date of the last semester that the student completed, as recorded in the transcript of their results for

all academic years, certificate of attendance, or transfer certificate, until the latest date on which students can enroll for the academic year for which the student took the entrance examination.

2. To determine the number of years of professional training and related work: count from the starting date recorded on the professional training related certificate or on a certificate attesting the related work experience, to the latest date on which students can enroll for the academic year for which the student took the entrance examination.

Article 12

These Standards shall take effect from the date of promulgation.
