#### **4. Class Level Arrangement**

(1) Beginner to Basic level:

\* Target Level: students who first-time to learn Mandarin.

\* Study Aims: Competency in basic listening, speaking, reading and writing skills in five major areas of everyday life: food; clothing; accommodation; transportation and entertainment.

(2) Basic to Intermediate level:

\* Target Level: students who have already completed Beginner level, or possess equivalent listening, speaking, reading and writing skills.

\* Study Aims: To develop an understanding of Chinese culture and the philosophy of the Chinese people. The course focuses on introducing and appreciating Chinese literature; such as Chinese calligraphy, cultural experience activities, Origami activities and outdoor activities.

(3) Intermediate to Advanced level:

\* Target Level: students who have already completed Intermediate level, or who possess equivalent reading skills and have the ability to fluently express themselves in Mandarin.

\* Study Aims: The principal aim of this course is to allow students to experience Chinese culture and ideology by penetrating the historical and cultural heart of China's ancient crafts.
